Welcome Current & future patients!

In this issue:

Smile Dash - Patient Portal

New Arrival

Oral Cancer

A little something for our patients...

Smile Dash

We are so excited to tell you about SmileDash. Now you can:

- request or view scheduled appointments
- change your personal SmileReminder preferences
- view your account balance
- pay your bills online

If you are patient of ours go to www.SmileDash.com to register and to learn more about our online front desk services. Don't hesitate to call us with any questions!

New Arrival

It's a boy! Our hygienist, Carmen, gave birth to a bouncing baby boy on April 15th. He weighed 6lbs, 2oz and they named him Judson John. Carmen and her husband are thrilled to welcome him into their lives. Mattie will be caring for patients while Carmen is on maternity leave. Congrats Carmen!

Oral Cancer

Dr. Claire, Shelly and Carmen recently went to a continuing education class and were taught in-depth oral cancer screening information. They brought this information back to the office to integrate into our current Pioneer Greens Dentistry oral cancer screenings. This is a screening we provide during your routine recare visits.

Oral cancer is most often found in those who use any form of tobacco and the risk increases when combined with alcohol use. Upon reaching 40, the risk of oral cancer also increases. Though these contribute to the disease, 25% of oral cancer patients have **no known risk factors**.

Be sure to ask us about your Oral Cancer Screening at your next visit.

Got Lip Balm?

We appreciate it when our patients take the time to read our newsletters. As a token of our gratitude, we want to provide you lip balm with SPF 15. This will be the perfect thing to have when you are spending time outdoors in this beautiful, warm weather. Let us know what you think about our newsletters, we would love to know!!

Have a great day!

Dr. Chris and Dr. Claire Haag
